ABOUT ME

A communication design student from Pune, with a strong creative foundation and a passion for visual storytelling. I have a keen interest in **typography, branding, photography, publication and UI/UX design**. Known for being detail-oriented and committed, I thrive in structured, hands-on environments and am always eager to learn, grow, and explore new design directions.

WORK EXPERIENCE

GRAPHIC DESIGN INTERN | The Outline Craft, Pune | *May 2026 – August 2026*

Worked on a variety of client-based design and communication assignments.
My work included social media posts, content planning, captions, presentations, layout and visual explorations.
I worked across different brands and adapted designs and content according to their individual requirements, while incorporating feedback and working within deadlines.
